CASH ACCOUNT—JULY
Sept 7th

Mr Hall, telling us six years ago the Goulds Country people were savages! He never got started at so. A chap couldn't have been more started at if he was a savage. He got told another time the way to the Salmon Hotel & had to climb along a post & rail fence over water & landed on an is. & had to stay there. Another time told it was 8 miles to Goulds instead of 14 & got stuck up in a hollow tree all night. Capt. Hall rode over Peamander R. & nearly got swimming & then through a drunken man beckoning by. Salmon he got swimming & off in the deep lagoon & held on to a bridle so got over. Mr. McFarren snail, Lady Green made the maid get up & come to take a crepe out of the sheet in her bed, then let her go back to bed.
